Northwind Labs Benefits Summary 2026 - Health

Health insurance covers the employee and up to 4 dependents, such as a spouse, partner, or children.

Northwind pays 100% of the premium for the employee and 50% of the premium for each dependent.

Coverage starts on the first day of employment. Annual hospitalization cover is up to $40,000 per family.

An annual health check-up is free for employees and their spouse or partner.

Northwind Labs Benefits Summary 2026 - Retirement and Learning

Retirement plan: Northwind matches employee contributions up to 6% of base salary.

The company match vests after 1 year of service. Employee contributions vest immediately.

Learning budget: every employee receives $1,500 per year for courses, books, and conferences.

Unused learning budget does not carry over to the next year.
